

# STUDENT POLICIES

---

In addition to the policies listed within Sonoran University's Student Handbook, students are required to be familiar with the academic and enrollment policies found within the Course Catalog (<https://catalog.sonoran.edu/catalog/>).

The Course Catalog is published to provide applicants, students, and the general public with information about the University's educational and academic programs, policies, and procedures.

It is especially important that the student become familiar with all Academic Policies, particularly those that pertain to Satisfactory Academic Progress, Program of Study, and Graduation Requirements. See the Campus Life, Policies page ([https://my.sonoran.edu/ICS/Campus\\_Life/Campus\\_Leadership/Policies.jnz](https://my.sonoran.edu/ICS/Campus_Life/Campus_Leadership/Policies.jnz)) on MySonoran for the most recent policies.
